I reserved a block of 10 slips under the name of West River Yacht Club, They recommended to call now for slip reservations because of the holiday. The fire works are on July 3rd. We have the picnic area reserved for July 4th for a few hours. The cost for slip rental is \$3.50 per foot because of the holiday. If you need to reserve a room at their Inn do it now again because of the holiday. If you do reserve a room your slip price is half price.

7. Summer Cruise, August 7-8-9, 2020

Safe Harbor Oxford

410-226-5101

We are penciled in for a block of 8 to 10 slips under West River Yacht Club. I could not reserve the slips because there policy is not to do so until each boat reservation is made. Call as soon as possible for slip reservations because I was told by the dock master Jeff that they fill up quick very quick. They have a 140' long transient slip and the over flow will go to he dock yard.

\$2.50 per foot plus electric. You can go to Dockwa.com or call to reserve a slip.

8. Labor Day Cruise, September 4-5-6-7, 2020

Herrington Harbor South

301-855-8399

I requested the floating dock in the jetty for 8 to 10 boats under West River Yacht Club. They probably can not fit all us on the floating dock but the said they would put the overflow as close to the floating dock as possible.

West River Yacht Club

The earlier we reserve individual slips the better chance of having only the club boats on the dock.
